UKSIF is the membership network for sustainable and responsible financial services. We promote responsible investment and other forms of finance that support sustainable economic development, enhance quality of life and safeguard the environment. We also seek to ensure that individual and institutional investors can reflect their values in their investments.

Pension Fund Affiliate

Pension Fund Affiliate status of UKSIF is open free of charge to occupational pension fund asset owners and related bodies that do not sell products or services, or manage their own funds, i.e. Their main interest in sustainable and responsible finance is as an asset owner that does not want to formally participate in UKSIF governance as a member.

UKSIF Pension Fund Affiliates get access to selected UKSIF Member benefits and are listed as a Pension Fund Affiliate on UKSIF's website, allowing them to participate in the leading UK-based network for stakeholders in the sustainable finance sector. They receive regular, up-to-date information in What's New, UKSIF's monthly e-newsletter and invitations to attend selected UKSIF events.
